

Privacy Policy

The work of this site is carried out by VIONUSA OU ("Company", "we", etc.). The company adheres to the policy of confidentiality of information and the privacy of individuals.

This privacy policy explains how the Company conducts and protects personal data about its customers, which are provided by users and owned by the Company (the "Policy"). If a user visits the Company's website and uses its services, it means that he agrees with the Policy.

This Policy is periodically amended taking into account changes in the Company's current activities or methods of work, as well as to ensure its compliance with changes in legislation, technology and the business environment. The use of information is regulated in accordance with the principles of the current Policy.

What information does the Company collect?

You provide us with personal data, filling in the registration data of the account; The company is obliged to keep such data. The company also stores information about the results of the user's trading operations, the use of the site and the policy regarding cookies (see below).

When a user visits the Company's website or uses its services, the Company can also register the user's IP address, i.e. A unique identifier for his computer or other device (for example, a smartphone or tablet).

In order to ensure quality control, the Company can monitor and record interaction with the user. Typically, such information is provided at the time when the user agrees to register as a customer to use the services of the Company.

The settings that allow the use of cookies in your browser imply agreement with the Company's policy regarding cookies.

Goals of using personal data

The company uses information about users as follows:

The company uses your personal information and information obtained from other sources to comply with legal and legal requirements, for marketing, for administrative purposes, for customer service, and to ensure that the content and services that you offer are the most appropriate to your needs and interests. To this end, the company stores your information for a certain period of time. In some cases, the Company may be required to provide your data to its service providers and agents. Typically, the Company requires that third-party organizations that process and / or receive information as service providers recognize the confidential nature of such information, commit themselves

on observance of the right of an individual to privacy and respected the principles of data protection, including the provisions of this Policy.

A company or agents acting on our behalf may:

- carry out identity checks, checks related to the prevention of money laundering and fraud, and transfer your data to other companies in the group of companies and other organizations (including law enforcement) involved in the prevention and detection of fraud and using your information in a similar way ;
- establish your creditworthiness by contacting banks, financial institutions and credit rating agencies;

The company may use the information provided by you to send you sms or e-mail messages, to inform you about the requirements for making additional funds or providing you with other information.

By providing the Company with your personal data, you thereby consent to the processing of your personal data for the above purposes.

Use of cookies

The company can get information about you by accessing cookies (text files that are stored on your computer or other access device), at the time you visit the site or use the services of the Company. Cookies store small amounts of information, such as names and email addresses.

We use cookies to remember the settings to analyze how visitors use our site, and monitor the performance and operation of the site. Thus, the Company can provide high user experience, quickly identifying and eliminating problems that arise. For example, a company can use cookies to track performance to identify which pages users visit the most, and which method of communication between site pages is most effective.

A user can delete cookies at any time by accessing the browser settings. You can also turn off cookies in your browser settings, but after that you will not be able to use this site and many other sites, as they will not be able to work correctly.

Disclaimer

The Company, its affiliates and third parties providing services will take the necessary measures to ensure that the information disclosed by you is protected, kept up-to-date and stored only for the period of time required for the above purposes.

Nevertheless, you must take into account that the Company, its affiliated persons and third parties rendering services do not bear any responsibility for the safety of your personal data.

How and when to contact us

If you have changed personal data, there are questions about how we use your information, you can contact us by writing to us at vionproject.usa@gmail.com

Please notify us of any changes to the address or other personal information so that we have the correct information about you.
